Knife Crime

Knife Crime Offence Count:

653

Knife Crime Offences per 1,000 pop.

2.0

12 months (ending January 2024) compared to previous 12 months (ending January 2023):

▲29.8%

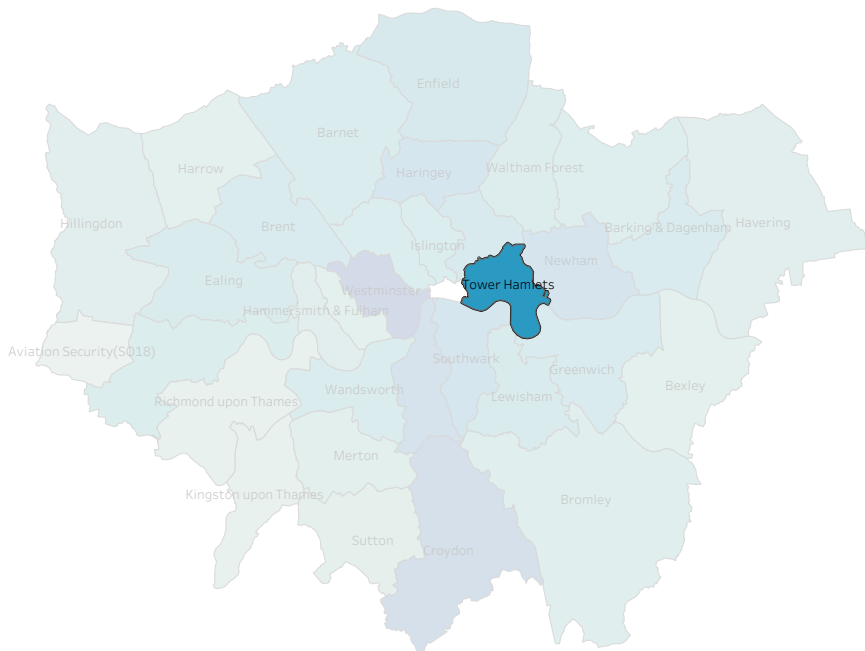

January 2024 compared to December 2023:

▼40.5%

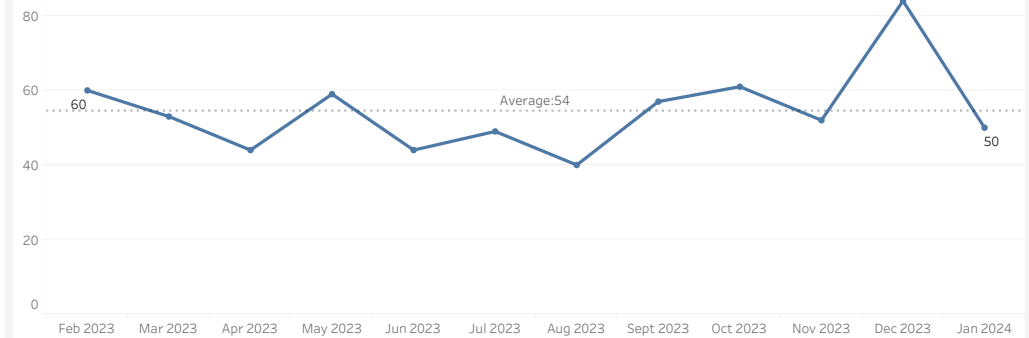

Please Note:

'Knife Crime with Injury' and 'Knife Crime with Injury (Personal robbery)' are subsets of 'Knife Crime' and should NOT be summed together as this will result in double counting. 'Knife Injury Victims' measures count the number of victims. Please hover your cursor here to see how 'Knife Crime' is ..

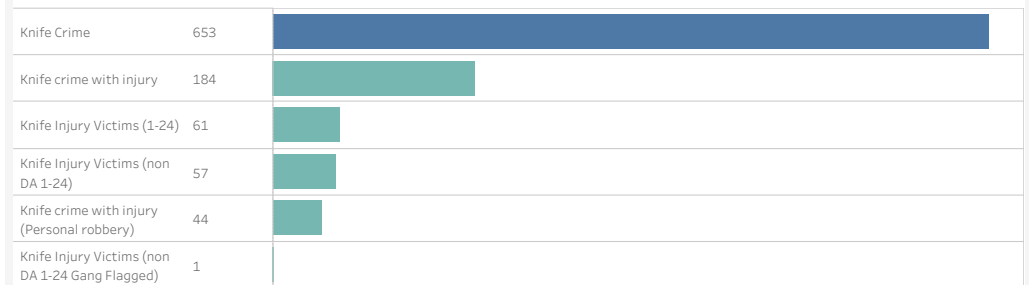

Hover cursor over a region in the map to see Borough-level information (click on area to filter other charts)

How has the volume of Knife Crime Offences changed?

What are the volumes by Knife Crime Type?
