

## **Our recent Mile End WARD Panel Meeting in brief.**

Good morning,

We hope, everyone is doing well, so far in new 2026 year !

On Monday 22/12/2025 we had our Mile End Ward Panel Meeting taking place at ST.PAUL'S COMMUNITY CENTRE, St. PAUL's WAY,E3

During the meeting it was agreed between community members, local authorities and our partnership agencies that our new priorities on the Mile End Ward would include :

CANTON&SARACEN STREET,E14

THOMAS&BURDETT ROAD,E14

BOW COMMON LANE,E3

It was also chosen by the community members to keep focusing especially on the topic of BURGLARY, so will be regularly offering crime prevention advice on the subject and posting it through our new platform and initiative called MET ENGAGE.

Mile End Safer Neighbourhood Team Officers will continue to provide regular and continuous foot and van patrols in the neighbourhood area, work closely with our partner agencies such as THEO's/PARKGUARD/Housing agencies and engage actively with our community members in order to provide all the necessary support as far as practically possible to make our local Mile End area safe and secure.

Our next Ward Panel Meeting is scheduled for 12/03/2026 but we will advertise it further prior to the meeting.
